## Quick & Easy Beautifully Penned Card

This Quick and Easy card uses the Beautifully Penned 12" x 12" designer series paper. This Sale-a-Bration item features 12 sheets, 4 each of 3 double-sided designs. they are all black and white and

they coordinate with the hand penned suite from the Annual catalogue. You can chose this paper as a free item with any £45 order during August and September.

leave it black & white, the choice is up to you. Or why not do a bit of both!

For this card I took a standard card base (21cm x 14.9cm , scored at 10.5cm/ 5 1/2" x 8 1/2" scored at 4 1/4") in Basic Black cardstock.

I then cut a piece of Designer Series Paper (14.4cm x 10cm/5 1/4" x 4").

Using the floral pattern on the front as my guide, I cut a piece from the top (approx 3cm/1 1/4") and a piece from the bottom. (approx 5.5cm/2").

On the centre panel I added some colour with Soft Pastels. i used a cotton bud to blend the colour onto the flowers and the leaves.

I then stuck these panels of DSP to the card front. The top and bottom panel had the striped side showing and the centre panel the coloured flowers.

I stamped the greeting onto a die cut circle and added a Black scalloped circled behind it. After sticking a swirl of Black glittered Organdy Ribbon to the back of it, I stuck it to the card front. Some rhinestones were added.

I added a strip of striped DSP to a Basic White card insert to finish off.
